

I am James Gullo, a current member of our Unit Board, and I am seeking reelection for the coming term of office. This has been a learning experience for me and I greatly appreciate the help that members of the board and the unit have given me. Over the past three years I have become very involved with teaching local youth the exciting and challenging game of Bridge. This has involved dedication on my part and many other unit members who have assisted this program. The program is growing and it has been a very positive experience for all of us. I wish to continue bringing more youths and new adult members into our unit and feel that being on the board is important to meet our new goals. I will continue to work to my best ability for the unit. Please reelect me to the board for another term to promote Bridge for the future.
